**DETAILED ACTION**

***Response to Arguments***

1. Applicant's arguments, see Paper #7: page 31, line 9 - page 43, line 6, filed 12 April 2004, with respect to claims 1, 10-12, & 34-36 (and dependent claims 2-9, 13-21, & 37-45) have been fully considered and are persuasive. Therefore, the outstanding rejection of claims 1-21 has been withdrawn. However, upon further consideration, a new ground(s) of rejection is made as set forth below.

***Claim Rejections - 35 USC § 112***

2. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

3. Claims 7-9 & 19-21 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

In claim 7, lines 8-9 and claim 19, lines 8-9, the recited "first mode" and "second mode" are not clearly defined.

In claim 7, lines 7-9, the phrase "transmission to be performed ... in a first mode of in a second mode" is unclear (the word "of" should apparently read "or").

***Allowable Subject Matter***

4. Claims 1-6, 10-18, & 34-45 are allowed.
5. Claims 7-9 & 19-21, insofar as they are understood, would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, second paragraph, set forth in this Office action.
6. The following is a statement of reasons for the indication of allowable subject matter:

As noted above, Applicant's arguments (Paper #7: page 31, line 9 - page 43, line 6) concerning the recitations of the claims as currently amended have been considered and found persuasive.

***Conclusion***

7. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened

Art Unit: 2624

statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
